Addendum to Administrative Plan for the

25X1A2g

Regarding the coordinations required for the aforementioned Administrative Plan, the Office of the General Counsel, with regard to Paragraph XI pertaining to the liquidation of the cover corporation, indicated (per Mr. [REDACTED]) that the Office of the General Counsel should be included in the approval required for liquidation of the corporation, because of the variety of legal problems which arise at such time. In this connection, at the time the Administrative Plan was prepared, the Office of the General Counsel was still under the Deputy Director (Support) and the intention to have them included should liquidation take place is inherent in the paragraph, since it was assumed that the Deputy Director (Support) would require Office of the General Counsel coordination in this regard. In view of the recent change of the Office of the General Counsel to the staff of the DCI, this intention still pertains and they will be consulted should any liquidation occur.
